PHILOSOPHY

We seek to develop lifelong learning and skills through a broad curriculum of academic, athletic, cultural, life, and vocational programs in order to provide for the interests and needs of our students. This shall take place in a nurturing, positive, creative, safe, and challenging environment.

We believe that all students have the full and free right to explore and develop their capabilities in such ways as to provide them opportunities for success, as well as providing a sense of well-being. Their studies should acquaint them with those time-tested traditional American values that have given mankind convictions about life, and courage to defend those convictions. High school experiences should help students develop a greater sensitivity for, and recognition of, other people as unique human beings. Students should learn that, within limits, all persons have choices among alternatives, that those choices represent a cherished part of their freedom, that making choices is a conscious act, and that all persons are personally responsible for their learning, their actions, and the consequences thereof.

We further believe that it is the duty of the school and community to form an alliance to help provide students with opportunities for intellectual, physical, and social development.

MISSION STATEMENT

Motivate individuals to succeed
Valuable community partnerships

Passionate teachers and staff
Rigorous curriculum

MSDMV is proud to provide exemplary academic opportunities with integrated technology to develop critical and creative thinking skills in our students. Passionate teachers and staff along with valuable community and family partnerships motivate all students to follow their individual chosen path.

I. STUDENT INFORMATION

ANNOUNCEMENTS

A daily bulletin for announcements to both teachers and students is typed during the first period of each morning. Announcements to students concerning school activities must be approved by the respective faculty sponsor. Announcements to be included in the daily bulletin must be placed in the box on the counter in the principal's office no later than 7:45 AM.

APPOINTMENTS - MEDICAL/DENTAL

To be released for an appointment, a student's parent/guardian should call the school nurse (812-833-5917) in advance. If this is not possible, please present an appointment card in advance to the nurse or a written note, dated and signed by your parent/guardian. The nurse will prepare a pass to be presented to your teacher. This provides an opportunity for you to leave class with sufficient time to make your appointment. ALWAYS sign out in the nurse's office before leaving the building. Following your appointment, sign back in prior to returning to your class.

ATHLETIC PASSES

Student athletic activity passes may be purchased for \$40.00, adult athletic activity passes for \$65.00, and family athletic passes for \$190.00.

BUILDING HOURS

The building is open in the morning by 7:30 AM and closes by 4:00 PM. Any student or group of students desiring to use the building at times other than regular school hours may do so by making proper arrangements through a member of the professional staff. Use of the facility requires the presence of a member of the faculty. You are encouraged to use the facility for study, committee and project work and for individual and group practice.

CELL PHONES

Cell phones must be turned off and stored away during class. Students may use cell phones for academic reasons during class with teacher's permission. Violations of this rule will result in confiscation of the cell phone and may result in further disciplinary action being taken.

CHANGE OF ADDRESS

If your address or phone number changes, please notify Mrs. Ferguson, the guidance secretary, immediately. It is important that your records be kept accurate in case of emergency.

CHEATING POLICY

Cheating is gaining an academic advantage or helping another person gain an advantage through the use of inappropriate or unfair means. Cheating defeats the purpose of education and robs the student of valuable knowledge and experience.

CHEATING INCLUDES

1. Copying someone else's assignment, project, report, quiz, test or final exam answers.
2. Letting someone copy your assignment, project, report, quiz, test or final exam answers.
3. Using unauthorized aids (textbook, notes, etc.) during assignments, quizzes, tests, or final exams.
4. Plagiarizing materials for assignments, reports or projects.
5. Utilizing text messaging or other means to communicate information or answers.

Cheating in any form cannot be tolerated and must be penalized. A failing grade will be given in each situation; however, teachers have the option to accept 50% to 0% of the grade. The student will also forfeit any exam exemption in that class. Additional penalties may include but are not limited to detention, internal suspension, and conferences. The teacher will call the parent/guardian upon each infraction/violation.

CLOSED CAMPUS

Once a student arrives on campus they are to proceed directly into the school building. Permission from the main office must be obtained before a student may go to their vehicle in the parking area. Students wishing to leave school grounds during the school day must first be granted permission from the health center and then sign out.

CONVOCATIONS

Seating arrangements for convocations in the auditorium will be assigned the first day of the school year. Students are to sit with their coordinating groups and attendance will be taken. Convocations are considered to be an important segment of your education; therefore, you are expected to be in attendance at these programs. If you find that a specific program is personally objectionable to you, please complete a form requesting your absence from the convocation, available in the principal's office.

COORDINATING GROUPS

Coordinating groups are assigned prior to the beginning of each school year. Coordinating groups meet when a need exists. Business to be conducted will include, but is not limited to, the following:

1. Discussion of policies, rules, and traditions of the school.
2. Distribution of report cards.
3. Distribution of school information.
4. Completion of required forms.

DETENTION

Students have two opportunities per day to serve detention. Detention is by arrangement in the mornings before school and from 3:10 PM to 4:00 PM after school in room H-101. Students are to bring study materials with them.

DISASTER/SEVERE WEATHER/SECURITY DRILLS

Disaster, severe weather, and security drills will be held periodically each semester. Students are to be familiar with disaster procedures as explained by classroom teachers. Students are to move quickly and quietly to their designated shelter area. They should then face the nearest wall, kneel down, and cover their heads with a book or their arms and hands.

FIRE DRILLS

Unannounced fire drills are held at least once per month. It is the responsibility of each student to be familiar with and follow the exit instructions that are posted in each of his/her respective classrooms. Walk quietly but quickly out of the building. In case an exit is blocked, follow the directions of the teacher. Students are to remain outside and well clear of the building until a signal is given to return inside.

HEALTH CENTER

The health center is located in A129. The nurse is on duty daily and can normally be seen in the health center between 7:30 AM and 3:15 PM.

MEDICINES

It is understood that there is a need for students to receive medications during the school day in order to combat and remedy illnesses. The Board recognizes this need, but also recognizes the need to protect students from inappropriate administration of medicines and to protect school employees against liability by establishing procedures that comply with reasonable practices and state law. Therefore, the Board of Trustees directs the Superintendent of Schools to establish guidelines for the administration of medication to students that will meet the needs of students, protect employees, and comply with state law.

Legal Reference: I.C. 34-4-16.5-3.5

MEDICINES – OPERATIONAL PROCEDURE

1. The term “medication” is not limited to prescription medicine but would include nonprescription medications such as aspirin, cough syrup, vitamins, etc.
2. Prescription medication shall not be administered unless the following requirements are met:
 - a. All prescription medication must be brought to school in a container clearly labeled by a physician or a druggist stating the student’s name, the doctor’s name, and the dosage (amount and frequency).
 - b. Written permission of parent or guardian must accompany each medication.
3. Nonprescription medication shall not be administered unless the following requirements are met:
 - a. Written permission of parent or guardian is on file.
 - b. Medication must be in the original container and clearly labeled with the student’s name and the dosage (amount and frequency) to be administered.
4. Students will not be allowed to carry medications with them throughout the school day. Exception: Students with an acute or chronic disease or medical condition may possess and self-administer medication that must be administered on an emergency basis while the student is on school grounds or off school grounds at a school activity, function, or event. The student’s parent must file an annual authorization that includes a written statement from the student’s physician for the student to self-administer the medication.
Medication may be sent home with high school students if the student’s parent has given written permission.
5. The principal will designate in writing the persons who may administer medication. At each school, one (1) individual (the nurse) should normally administer the medication with an administrator, teacher, or other school employee designated by the school administrator being available if needed.
A daily medication chart should be kept on each student. The person administering the medication should check the chart first, administer the medication, and then initial the square coinciding with the student’s name and the date. This will prevent any duplication.
6. The designated administering school person should not leave any medication unattended at any time. All medication should always be inaccessible to students.
7. All medications must be kept in the principal’s or nurse’s office area in the original container. This should be locked in a safe, cabinet, or container.
8. All medications should be destroyed or returned to the legal custodian when no longer needed. Destruction of the medication should be done in such a manner as to ensure no other person can obtain possession of it.

ILLNESS OR INJURY

Please report to the nurse immediately if you become ill or suffer an injury while at school. Make your teacher aware of the fact that you are not feeling well and request a pass to see the nurse. There is a restroom in the nurse’s office. Do not leave class and enter a student restroom. Do not make a call to your parent/guardian regarding an illness without first seeing the nurse.

The nurse has an area where you may rest when you do not feel well. Please understand that you may be sent home by the nurse ONLY after permission to do so is received from your parent/guardian and you are properly signed out in the nurse’s office. If the nurse is not available, report to the main office immediately.

INSURANCE

The Board of School Trustees is not responsible for injuries to children at school or at places under school auspices and cannot pay damages, hospital bills, or medical bills, regardless of the seriousness of the case. At the beginning of the school year each family is given the opportunity to purchase student accident protection insurance. This is a voluntary plan and parents are not obligated in any way. Purchase of student insurance may be done at the school district office.

JUNIOR/SENIOR PROM

One of the highlights of the school year is the annual junior-senior prom held each spring. At this traditional formal event, the junior class acts as host to the senior class. All juniors and seniors and their guests are eligible to attend. Any junior or senior wishing to bring an outside guest must submit a completed dance permission form and have administrative approval granted prior to purchasing a prom ticket. All school conduct rules are in effect. MVHS students are responsible for the conduct of their guests. No junior high school students or individuals 21 years of age or older will be allowed to attend the MVHS prom.

LOCKERS

All lockers made available for student use at MVHS are the property of the school. These lockers are made available solely for student use in storing school supplies and personal items necessary for use at school. Your locker is on loan to you and you are the only student provided the combination. Protect your security by not sharing the combination with anyone.

The student’s use of a locker does not diminish the school’s ownership or control of the locker. Do not leave valuables or money in your locker. Lockers will be checked periodically for damage and fines may be assessed.

LOST AND FOUND

The lost and found department is located in the main office. If you find property that does not belong to you, turn it in at the office immediately. If you lose personal property, inquire at the office.

MEDIA CENTER

The school's daily class schedule is structured to facilitate students' usage of the Media Center. Students are encouraged to use the Media Center staff, available materials, and facilities.

The school Media Center is open from 8:00 AM to 3:15 PM each school day. Entrance during a class period requires a corridor pass from the appropriate teacher. Use of the Media Center is a privilege, which carries with it a responsibility for appropriate behavior.

PARKING REGULATIONS

Adequate parking is provided for the students of Mt. Vernon High School. Driving to school and using the school parking lots are privileges and not rights. If students abuse those privileges they will not be allowed to park on the school lot. It is important that each student observe the following rules:

1. Students must have a "Vehicle Registration" form signed and on file in the office.
2. Students must purchase a parking sticker from the office for **each** vehicle and **display** it on the lower right hand corner of the windshield. The cost of the first parking sticker is \$10.00, with each additional sticker costing \$1.00. Student parking stickers are valid for the entire school year and are non-transferable.
3. Students must use the parking areas designated for student use.
4. Vehicles not parked in a marked parking space or displaying a valid sticker may be towed at the owner's expense.
5. Students must park their vehicle and enter the school building immediately upon entering the parking lot. Sitting in parked vehicles is not permitted.
6. Students are not to be in the parking lot during the school day without prior administrator permission.
7. Reckless driving or excessive speed is **not permitted**.
8. Violation of any student driving policy is grounds for suspension of driving privileges.
9. A student's car may be searched if there is reasonable suspicion to believe that the car contains material forbidden by school rules.
10. **PARKING IN THE FACULTY PARKING LOT IS BY PERMIT ONLY.** Students on High Honor Roll will be issued a parking permit for the faculty lot. Disciplinary action will be taken if unauthorized students park there.

POSTERS

Posters must be approved by an administrator prior to display. Specific wall areas have been designated as display areas for the high school. Windows are not to be used to display posters. **Posters must be affixed with masking tape.** Posters or displays are to be removed on the day following the advertised event or activity by the sponsoring group or person(s).

SCHOOL CLOSINGS

In case of school closings due to severe weather, the official announcement may be heard over local radio, TV stations and notification from MSD of Mt. Vernon School Reach Automated Phone System. Please do not call the school, the MSD office, or individual school employees.

SCHOOL DANCES - INFORMAL

1. All informal high school dances are closed dances, and are not open to the public. One member of each couple must be a member of our school.
2. Tickets will be sold at the door on the night of the informal dance. If a student wishes to bring a guest, he/she must sign the guest up in the main office prior to the dance. Anyone bringing a guest to a MVHS informal dance is responsible for his/her behavior. Any outsider not signed up by a student will not be allowed to attend.
3. All student conduct regulations are in effect at school sponsored informal dances, **including the student dress code policy.**
4. No person shall re-enter after once leaving a school-sponsored dance.
5. No junior high school students or individuals 21 years of age or older will be allowed to attend MVHS dances.

SCHOOL SAFETY

Safety, both in and out of school, must be constantly stressed if we are to avoid accidents and bodily injury. In the building, please walk through the halls – never run. Talk with your friends using a normal conversation volume – avoid shouting and noisemaking.

A number of students drive cars, scooters, and cycles to school each year. Please demonstrate maturity by driving with intelligence and a concern for the safety of everyone. Lock your car, and do not return to your car until you have completed your school day.

STUDENT DIRECTORY INFORMATION AND THE ARMED FORCES

Each year, student directory information, including student name, address, and telephone number, will be provided to official recruiters if requested. Students may request in writing, prior to November 1st of their junior or senior year, to have their information withheld from the list. If a written request is not received by the school, the student's information must be provided.

STUDY HALLS

Students are allowed to enroll in a maximum of two study halls per semester. Study halls are to be utilized for quiet study time. Expectations for student conduct are the same as in an academic class setting.

Students at Mt. Vernon High School are expected to use the available technology as it is intended. Deliberate misuse of such will result in disciplinary action. Each student will be required to sign a Computer Usage/Internet Contract upon his/her initial enrollment at MVHS.

If space permits, a student may audit a class under the following conditions:

1. The student has taken the audited class previously for credit.
2. The audited class is taken in addition to the required class load of six (6) credit classes.
3. No grade or credit is granted. The audit will be noted on the student's record.
4. The student attends class regularly and participates as required. The student is expected to complete written assignments and tests. Failure to follow these guidelines may result in the student being placed in a study center.
5. The student must be passing at the completion of each nine (9) weeks grading period. Failure to earn passing marks at the conclusion of any nine (9) weeks grading period will result in the student being placed in a study center and termination of the auditing opportunity.
6. Prior to auditing approval, the guidance counselor will discuss the potential audit with the teacher involved.

CAREER AND TECHNICAL CENTER PROGRAM

Mount Vernon High School students have the opportunity to apply for admission to a variety of vocational courses offered by the EVSC. Applications will be available online in late Fall, and will be due in January for full consideration. If accepted, students will use bus transportation provided by MVHS to travel to and from the program, and must stay in the program for at least one semester. Interested students should contact their counselor for details.

CLASS DROP OR CHANGE PROCEDURES

DROPPING A CLASS TO ADD A CLASS

Dropping a class to enroll in another class may be approved up to and through the third (3rd) official attendance record meeting of the class the student wishes to drop.

Class changes within the same discipline (ex. Algebra to Pre-Algebra), after consultation between the counselor, teacher, parent/guardian and student, may occur beyond the third meeting of the course drop/add deadline.

A student enrolled in an Honors level class may transfer to the same course on a non-honors level up until the last day of the first nine weeks of the semester without penalty. Any transfer beyond this date will result in the student receiving a withdrawal/failure (WU) grade for the semester.

DROPPING A CLASS FOR A STUDY CENTER

Requests to drop a class in favor of a study center may be made to the guidance department no later than the end of the sixth week of the semester without the penalty of a withdrawal/failure. Requests will be considered only if the student is currently enrolled in one (1) study center or less at the time of the request.

COLLEGE/CAREER DAYS INFORMATION

Mt. Vernon High School encourages juniors and seniors to explore options for their future. Most colleges, careers, and the military conduct organized visitation days for high school students on Saturdays and Sundays. Students are encouraged to attend visitation programs on weekends whenever possible. Seniors will be allowed two (2) visitation days. Juniors are allowed one visitation day during the second semester only. These absences will be considered school-related and will not count against the Renaissance Perfect Attendance and/or the Seven-Day Limit policies.

If a student needs to visit during school time, the following procedures must be followed:

1. Student must pick up the visitation form in the guidance office.
2. The completed visitation form must be submitted to the attendance office at least one day prior to the absence. No substitute forms will be accepted.
3. Written verification of student attendance must be signed by a representative of the institution on official stationery and submitted to the nurse when the student returns to school. Students must submit an individual verification for their visitation. No list verifications will be accepted.
4. Additional days may be granted if a student must be present for scholarship testing or if the student is being recruited by the college or university. Verification of these special circumstances must be provided to a high school administrator prior to the absence.
5. Visitation days may be used on school days prior to May 1.
6. When visiting a local institution, visitations will be granted for half-days (2 class periods) only.

Students are considered in attendance in class if they are present a total time equal to half, or more, of the scheduled minutes for the day in question. Students are considered in attendance if they are absent from class for one or more of the following reasons:

A. An absence that state or federal law authorizes. These include, but are not limited to, the following:

1. Page in the Indiana General Assembly
2. Precinct worker on Election Day
3. Appearance in court by subpoena
4. Active duty in the Indiana National Guard

B. An absence that is school sponsored. These include the following:

1. Field Trip
2. College day (seniors only), career and military
3. A unique educational opportunity, as approved by the building principal.

Verification of these absences may be required and is outline in the student handbook.

In order to maintain your earned exemptions a student must:

- Have no external suspensions
- Have no full day internal suspension
- Have no more than two separate incidences' of detention. A student who has received 3 or more detentions in a semester has lost all exemption privileges for that semester.
- Have no violation of cheating policy within an individual class. An infraction of the cheating policy will result in loss of exemption for that class.

FINANCIAL AID FOR COLLEGE

Financial aid for college comes in the form of scholarships, grants, loans, or work-study. Getting the necessary information to apply for financial aid and meeting mandatory deadlines is extremely important. Financial aid comes from three primary sources: federal and state programs, college/university programs, and the private sector. Most financial aid is available only when a family can show a need for financial assistance. There are some financial aid programs not based on financial need, but upon academic excellence or particular talents (art, music, athletics, etc.).

Information about financial aid opportunities can be obtained by contacting the college financial aid office, obtaining information from printed material in the guidance office or listening to the announcements on the daily bulletin, or the guidance and counseling page in Haiku.

In January, the school will conduct a Financial Aid Night, which informs families about the financial aid process, important deadlines, and how to complete the Free Application for Federal Student Aid (FAFSA). There are several documents that must be completed to apply for aid. Colleges and universities, private providers, and local organizations all have documents to be completed. One of the most important documents is the FAFSA, and in the case of some private colleges, the Financial Aid Form (FAF). These forms are used to evaluate a family's ability to pay for its child's college education. Most financial aid cannot be obtained unless a FAFSA has been submitted. The FAFSA can be completed and submitted online after January 1st of the senior year – **but must be received by March 10th** – to be eligible for most financial aid. The FAFSA can be found online at www.fafsa.ed.gov.

GRADING SYSTEM

The grades you receive divide students who are doing passing work into four groups. These grades are **A** (excellent), **B** (good), **C** (average), **D** (below average, but passing). The grade **U** (unsatisfactory/failure) indicates that you cannot or will not do the minimum amount of work required to pass a course. An **I** (incomplete) indicates that for some reason, usually illness, course work has not been completed. You do have the responsibility to meet course requirements. The responsibility for conversion of an **I** to a passing grade is yours. You are allowed the same number of days for make-up work as the number of days you missed. However, normally, five school days should be sufficient time for completion. If an **I** is not converted by a time established between the student and teacher, the **I** converts to a **U**.

GRADUATION HONORS

Honor students will be indicated as follows in the commencement program and newspaper publications.

Highest Honors	3.9 or above GPA
High Honors	3.7 to 3.9 GPA
Honors	3.5 to 3.7 GPA

The students qualifying for these honor groups will be presented the following honors insignia to be worn with their caps and gowns at graduation ceremonies:

Highest Honors	gold stole
High Honors	gold honor cord
Honors	maroon and gray honor cord

All three groups wear gold tassels and academic medallions. Students earning an Academic Honors Diploma will also receive an Academic Honors Medallion. These distinctions are based upon the student's cumulative GPA after seven semesters.

HONOR ROLL

HIGH HONOR ROLL

No grade shall be below an A- and the nine week GPA must be 4.00.

MAROON HONOR ROLL

The nine week GPA must be between 3.50 and 3.99.

GRAY HONOR ROLL

The nine week GPA must be between 3.00 and 3.49.

An A is counted as 4 grade points, a B - 3 points, a C - 2 points and a D - 1 point. This same point system is used in figuring class rank and accumulative grade averages on permanent records. A grade of a U in a class eliminates the student from honor roll.

MID-TERM GRADUATION

Any senior interested in mid-term graduation must meet with their counselor to discuss this request. The student is then required to submit a completed mid-term graduation application form to their counselor prior to August 1 for consideration.

NATIONAL HONOR SOCIETY

In order to be eligible for induction into the National Honor Society, a student must be a Sophomore, Junior or Senior and have a minimum grade point average of 3.5. Those selected for NHS must also qualify on the basis of citizenship, leadership, character, and school and community service. A committee of educators selects members by considering recommendations of other teachers and the student's academic and activity records. New members are inducted each year toward the end of Semester II.

NCAA INITIAL-ELIGIBILITY CLEARINGHOUSE

Many college athletic programs are regulated by the National Collegiate Athletic Association (NCAA), an organization that has established rules on eligibility, recruiting, and financial aid. The NCAA has three membership divisions – Division I, Division II, and Division III. If you are planning to enroll in college as a freshman and you wish to participate in Division I or Division II athletics, you must be certified by the NCAA Initial-Eligibility Clearinghouse.

The Clearinghouse ensures consistent application of NCAA Initial-Eligibility requirements for all prospective student athletes at member institutions. It is your responsibility to make sure the Clearinghouse has the documents it needs to certify you. These are: online registration completed and fee submitted at www.ncaaclearinghouse.org, your official transcript mailed directly from every high school you have attended, and your ACT or SAT scores. Please note that SAT/ACT scores must come directly from ACT or SAT – they will not be accepted from transcripts. Make sure to list the NCAA Clearinghouse in addition to your colleges when you sign up to take either test.

CORE COURSES REQUIRED FOR NCAA CERTIFICATION:

16 CORE-COURSE RULE

16 Core-Courses:

4 years of English

3 years of mathematics (Algebra I or higher)

2 years of natural/physical science (1 year of lab if offered by high school)

1 year of additional English, mathematics, or natural/physical science

2 years of social science

4 years of additional courses (from any area above, foreign language, or non-doctrinal religion/philosophy)

For more information about the NCAA Initial-Eligibility Requirements, see the Athletic Director, your guidance counselor, or visit the NCAA Clearinghouse website at www.ncaaclearinghouse.org.

RECORDS AND TRANSCRIPTS

A permanent record of the courses taken by each student, the grades received, his/her attendance record, scores on special tests, and lists of activities is kept in the Guidance Office. When a student transfers to another high school, college or technical school, the office will forward a transcript of this record upon his/her request. Any student requesting a transcript be sent to a postsecondary institution must submit the request via Parchment.com. Requests are free through August 1st of the graduation year.

ONLINE STUDENT GRADE REPORTING

Parents/guardians and students may check current course grades online by accessing the Skyward Website available on the MVHS website. At the beginning of each school year all parents/guardians will be mailed an information sheet with directions for using the PIV program along with the username and password needed to access their student's grades. In the event that the username or password is lost, a request may be made to the high school guidance office at 838-4356 to provide this information.

III. ATHLETICS

MSD OF MT. VERNON ATHLETIC PHILOSOPHY

The Metropolitan School District of Mt. Vernon recognizes that the participation in athletics, both as a player and as a student spectator, is an integral part of the student's educational experiences. Student athletes at MVHS are held in the highest regard and are seen as role models in the community. Playing and competing for Mt. Vernon High School is a privilege. As such, you have the responsibility to portray your team, your school and yourselves in a positive and responsible manner at all times. Sometimes this means doing things that are an inconvenience to you, but benefit the whole team, the student body, the school and the community. In his/her play and conduct, the student athlete is representing all of these groups.

Athletics prepares students for the future by teaching self-discipline, positive thinking, self-sacrifice, teamwork, and cooperation. Students are motivated to win and excel, but the principles of good sportsmanship, on and off the court and in social media, must prevail at all times in order to enhance the educational values of athletic competition. Such experiences contribute to the knowledge, skill and emotional patterns that he/she possesses, thereby making him/her a better person and citizen.

STUDENT ATHLETE CONDUCT POLICY

Every student athlete is expected to behave in a manner that brings credit to his/her school and squad 365 days a year. When an athlete's conduct in or out of school or on social media reflects discredit upon the school or creates a disruptive influence on the discipline, good order, moral or educational environment in the school, he/she will be in violation of the rules. Any violation of these rules may result in an athlete being declared ineligible for further participation. The athletic conduct policy is in effect from the first day the athlete attends a team practice or team meeting. All training violations and penalties accumulate during the student's entire high school career.

PARENT ACKNOWLEDGEMENT FORM

Each athlete is to be given a copy of the policy. A parent or guardian and the athlete must sign the form indicating that they have received a copy of the policy and they know the rules and pledge to abide by them year round. Acceptance of athletic equipment signifies a willingness to observe all policies or regulations established by the athletic department and/or coach. Athletes may not participate in any sport until this form is on file in the Athletic Office. This form will be renewed annually.

PARENT/PHYSICIAN/INSURANCE PERMISSION FORMS

Each athlete is required to have on file in the athletic office a completed IHSA pre-participation physical/insurance form. This form must be on file before the athlete participates in any conditioning, practice or contest. This form, which must be signed by the athlete and parent/guardian, contains a summary of the Indiana High School Athletic Association rules.

TRAINING RULES

1. Squad members are to be home nightly, during the season, at a reasonable time to be determined by the head coach.
2. All allegations of rule violations will be brought to the attention of the Athletic Director and head coach. It is their responsibility to investigate all charges and to recommend any disciplinary action to be taken.
3. The possession or use of tobacco, e-cigarettes or alcoholic beverages is not permitted in or out of season. This rule is in effect twelve (12) months of the year. Violations of this rule may result in the following disciplinary action.

PENALTY:

- a. **First Offense*:** Suspension from participating for 20% of the season. The 20% suspension from contests will be consecutive. If the 20% rule is to be satisfied, the athlete must successfully complete the season in which they sit out 20% of the contests. During the suspension, the coach may or may not allow the player to practice. If the offense occurs while an athlete is in season, it may be necessary for that athlete to sit out part of the in season sport plus part of the next sport in which they participate, in order to satisfy the 20% rule.
 - b. **Second Offense:** Suspension from all athletic participation for a period of one calendar year effective the date of the second offense.
 - c. **Third Offense:** Expulsion from all athletic participation for the remainder of the student's high school career.
4. The possession of drug paraphernalia, using, transmitting, or being under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, intoxicant of any kind or any other controlled substance is not permitted in or out of season. This rule is in effect twelve (12) months of the year. Violations of this rule may result in the following disciplinary action.

PENALTY:

- a. **First Offense*:** The minimum penalty will be suspension from participating in 30% of the contest season. The penalty may be increased up to a one-year suspension from athletic participation when the violation could be classified as a felony or resulted in a felony charge. The 30% suspension from contests will be consecutive. For the 30% rule to be satisfied, the athlete must successfully complete the season in which they sit out 30% of the contests. During the suspension, the coach may or may not allow the player to practice. If the offense occurs while an athlete is in season, it may be necessary for that athlete to sit out part of the in season sport plus part of the next sport in which they participate, in order to satisfy the 30% rule.

- b. **Second Offense:** Suspension from all athletic participation for a period of one calendar year starting from the date of the second offense.
- c. **Third Offense:** Expulsion from all athletic participation for the remainder of the student's high school career.

- being convicted in a court of law on the charge of illegal possession of alcohol, tobacco or drugs
- having an alcoholic beverage, tobacco product, illegal drug or drug paraphernalia on your person
- having any substance in a vehicle the athlete is driving which would cause the athlete to be in violation of the law
- being any part of a purchase or exchange or an attempted purchase or exchange of alcohol, tobacco, illegal drugs or drug paraphernalia

Note: A first offense in Training Rule 3 or 4 above will automatically place the student in the second penalty level after another violation in the same or in a different category.

***Honesty Policy:** In the event that a student admits his/her violation of training rules 3 or 4, prior to an administrative investigation, a first offense suspension will be reduced by 5%.

SOCIAL MEDIA

Social Networks: Social network sites such as Facebook, Twitter, Instagram, YouTube, VINE, Pinterest, Snap Chat and other digital platforms have increased in popularity and are used by student athletes at Mt. Vernon High School. Participation in such networks has both positive appeal and potentially negative consequences. It is important that MVHS student athletes be aware of these consequences and exercise appropriate caution if they choose to participate in these sites and others.

The Department of Athletics' guidelines are intended to provide a framework for student athletes to conduct themselves responsibly in an on-line environment.

1. Student athletes should be aware that third parties - - including the media, faculty, coaches, teammates, future employers and IHSAA officials - - could easily access your profiles and view all personal information. This includes all pictures, videos, comments and posters. Inappropriate material found by third parties affects the perception of the student athlete, the athletic department, the school and the entire Mt. Vernon community.
2. Be careful with how much and what kind of identifying information you post on social networking sites. Virtually anyone with an email address can access your personal page. It is unwise to make available information such a full date of birth, social security number, address, phone number, cell phone numbers, bank account information, or details about your daily routine. All of these can facilitate identity theft or stalking. Do not respond to unsolicited emails asking for passwords or PIN numbers. Reputable businesses, colleges and scholarship foundations do not ask for this information in emails.
3. The internet is permanent. Facebook, Twitter, Instagram and other sites provide numerous privacy settings for information contained in its pages; use these settings to protect private information. However, once posted, the information becomes property of the website.

Examples of inappropriate and offensive behaviors in online communities may include depictions or presentations of the following:

1. Posting photos, videos, comments or posters showing the personal use of alcohol, tobacco, e-cigarettes etc., including condoning alcohol and drug related activity. This includes but is not limited to images that portray the personal use of alcohol, marijuana and drug paraphernalia.
2. Posting photos, video and comments that are of a sexual nature. This includes links to websites of a pornographic nature and other inappropriate material.
3. Posting pictures, videos, comments or posters using inappropriate or offensive language in all comments, videos and other postings. This includes threats of violence and derogatory comments against teammates, coaches, race, gender and/or sexual orientation.
4. **Cyber bullying:** Content online that is unsportsmanlike, derogatory, demeaning or threatening toward Mt. Vernon High School, other schools, teammates, opponents or any other individual/entity (examples: derogatory comments regarding another institution; taunting comments aimed at a student athlete, coach or team at another institution and derogatory comments against race and/or gender). No posts should depict or encourage unacceptable, violent or illegal activities (examples: hazing, sexual harassment/assault, gambling, discrimination, fighting, vandalism, academic dishonesty, underage drinking, and illegal drug use).
5. Posting photos while engaging in inappropriate behavior.

Note: Inappropriate actions will be dealt with on an individual basis through the Athletic Department but may include suspension from contest(s) or removal from the team.

TRAVEL

High School squad members are to travel to and from away events in the transportation provided by the Athletic Department. Exceptions for returning to MVHS via the bus are as follows:

1. The athlete's immediate family is continuing from the site of the contest to a destination farther from Mt. Vernon and desire their son/daughter to accompany them.*
2. The athlete desires to depart from the team bus, van, etc. at or near his/her home which is on the regular route back to Mt. Vernon.*
3. The athlete becomes ill or sustains an injury.

***A Marrs Form** must be filled out and turned in to the athletic director **at least 24 hours in advance** in order for 1 or 2 to be permitted.

THEFT AND/OR VANDALISM

Athletes found guilty of stealing or committing acts of vandalism at school or at a school function will face disciplinary action based on the seriousness of the offense.

PENALTY:

- a. **First Offense:** Suspension from participating for 20% of the season. The 20% suspension from contests will be consecutive. If the 20% rule is to be satisfied, the athlete must successfully complete the season in which they sit out 20% of the contests. During the suspension, the coach may or may not allow the player to practice. If the offense occurs while an athlete is in season, it may be necessary for that athlete to sit out part of the in season sport plus part of the next sport in which they participate, in order to satisfy the 20% rule.
- b. **Second Offense:** Suspension from all athletic participation for a period of one calendar year effective the date of the second offense.
- c. **Third Offense:** Expulsion from all athletic participation for the remainder of the student's high school career.

All allegations of rule violations will be brought to the attention of the athletic director and head coach. It is their responsibility to investigate all charges and to recommend any disciplinary action to be taken.

SCHOOL/GAME/PRACTICE ATTENDANCE

1. Every athlete is expected to attend all practice sessions of his/her sport unless excused in advance by the coach in charge or if he/she was absent from school because of illness.
2. An unexcused absence from practice or game may result in suspension or dismissal from the squad. The coach of the particular sport will make the determination as to the action to be taken.
3. Students who are absent from school and/or physically unable to participate or are under a doctor's care must have a clearance from a physician holding an unlimited license to practice medicine.
4. Student athletes, when absent from school the entire day, are not permitted to practice or participate in a contest on the date of the absence except in the following situations:
 - a. school sponsored field trip
 - b. excused in advance to attend a funeral
 - c. excused in advance to be at the bedside of a seriously ill member of the immediate family

A player may change sports as long as he/she gets a written release from the head coach of the sport in which he/she is presently participating.

CARE OF EQUIPMENT

1. It is the intent of the athletic department to furnish equipment that is comfortable, well-fitting and protective. If equipment is unsatisfactory, the player shall notify the coach.
2. It is the responsibility of the athlete to make restitution for lost or damaged equipment when it is determined that the athlete was negligent.

GAME UNIFORMS AND APPAREL

1. School colors are a very unique part of our school history. School colors show loyalty, team spirit, school spirit and display Mt. Vernon pride in a way that no other colors can do.
2. Game apparel worn by players shall display our school colors, maroon and gray. Any athlete not displaying school colors during a game will be subject to disciplinary action. The discipline to be administered will be determined by the coach and the Athletic Director.
3. In situations where uniforms cannot be purchased in school colors, the athletic director will determine what color is to be substituted for the maroon and gray.

ELIGIBILITY

The student athlete must meet the standards established by the Indiana High School Athletic Association and the MSD of Mt. Vernon. To be academically eligible the student, if enrolled in (8) solid subjects, must pass (6) solid subjects. If the student is enrolled in (7) solid subjects, they must pass (5) solid subjects in order to be academically eligible. An "I" on the report card is counted as a failure according to IHSAA Guidelines. Semester grades take precedent over 9-week grades.

CONCUSSIONS, HEAD INJURIES AND CARDIAC ARREST

Due to the Indiana state law "Student Athletes: Concussions and Head Injuries" (IC 20-34-7), schools are now required to distribute information sheets to inform and educate student athletes and his/her parents of the nature and risk of concussion and head injury to student athletes, including the risks of continuing to play after concussion or head injury. The law requires that each year, before beginning practice for an interscholastic or intramural sport, a high school student athlete and the student's parents must be given an information sheet, and both must sign and return a form acknowledging receipt of the information to the student athlete's coach. The law further states that a high school athlete who is suspected of sustaining a concussion or head injury in a practice or game, shall be removed from play at the time of injury and may not return to play until the student athlete has received a written clearance from a licensed health care provider trained in the evaluation and management of concussions and head injuries and 24 hours have passed since the accident. In addition, "sudden cardiac arrest" information sheets must be distributed. If warning signs exist, the student athlete may not return to participation until the proper paperwork has been signed and returned by the parent or guardian. Both parents and students must sign an acknowledgement form prior to the start of practice.

IV. ATTENDANCE

The attendance policy at Mt. Vernon High School is based on the premise that something important happens each day in each class of every school day. The faculty and staff believe that there is a direct relationship between good attendance and successful academic achievement. The attendance and study habits, both good and bad, which are formed during these high school years, tend to carry over into adult years once students graduate from MVHS. A successful attendance program takes the efforts of parents, guardians, students, and school staff. The following policy has been developed to promote a high standard of good school attendance.

7-DAY ABSENCE/ATTENDANCE POLICY

1. A FOUR-DAY ATTENDANCE NOTICE will be issued to every student who reaches four absences in a class within a **semester**. The teacher will verbally notify the student who has reached four absences in that particular class, reinforce the importance of good attendance, and have the student sign the ATTENDANCE NOTICE. A copy of the report will be sent home by mail. A copy will be sent to the office for the student's file, and a copy will remain with the classroom teacher. The teacher will continue to notify the student of the number of absences accumulated after the four-day notice.
2. A SEVEN-DAY ATTENDANCE NOTICE will be issued to every student who reaches seven absences in a class. A semester absence of seven days from any class will place the student in a failing status. This report will be sent by mail to the parent. The student will remain in the class and will be given verbal notice of the failing status by the classroom teacher. If the student feels that justifiable or extraordinary circumstances have contributed to exceeding the seven-day limit, the student may appeal to the school for credit. This appeal may be granted if the following conditions have been met:
 - A. The Appeal Form has been completed and returned to the teacher by the due date specified on the form.
 - B. Attendance **after** the seven-day limit has been satisfactory.
 - C. Appropriate doctor statements, if applicable, have been filed with the school attendance office.
 - D. All class work has been satisfactorily completed.
 - E. All class objectives have been accomplished.
 - F. The student is academically passing the class.

*For classes that meet every day the absences limit is fourteen days. The first attendance notice will be issued at eight days.

STUDENT APPEAL FOR CREDIT PROCEDURE

1. Teachers will give verbal and written notice to all students who have reached seven absences in their class.
2. Student Appeal for Credit forms will be made available to students who have exceeded the attendance policy and have been placed in failing status. NOTICE: Forms will be handed out and due dates set within the last 1 ½ to 2 weeks before the end of the semester. If the student exceeds the attendance limit after the deadline, the due date of the appeal for credit form will be extended.
3. Students will have the opportunity to explain and validate their attendance record on the form.
4. The student will return the form to his/her teacher prior to, or on the due date for teacher consideration.
5. The attendance committee will review all Student Appeal for Credit forms.
6. Following a favorable review by the attendance committee of the appealing student's attendance, the decision to grant credit rests with the teacher. The teacher is the one who sets the class objectives and must be the one to determine if those objectives have been met. Students will not be notified concerning the determination of their appeal until after the final exam.
7. Students who lose their credit as a result of the appeal decision have a right to due process and may appeal to the attendance committee through the principal.

ADDITIONAL GUIDELINES

An absence count will start only upon a student's first registered day in class. Absences which are due solely to hospitalization or long-term illness, or absences which occur due to the necessity to see a medical doctor, will not count against the seven-day limit, if parents provide the school with a written doctor's excuse **immediately** upon the student's return to school (immediately shall be interpreted as within 24 hours).

Class absence, as a result of approved school activities, will not count within the seven-day limit. Examples of approved school activities would include field trips, approved senior college visitation days, and other such absences that are approved by the school administration.

Class absence, as a result of internal or external suspension, will not count against the seven-day limit.

TARDIES

Students have adequate time to pass from one class to another. Reporting on time with proper materials is important. Each teacher will record tardiness on each student on a daily basis. Teachers are authorized to deal with student tardiness on an individual basis including, but not limited to, requiring the student to attend make-up sessions and assigning detention. At such times as the teacher feels that the tardiness has become excessive, the student may be referred to the office for further disciplinary action.

TRUANCY

Failing to report to assigned classes, or absences, which occur without the knowledge or permission of a parent or guardian, are considered truancies. Truancies are serious breaches of school policy and can result in expulsion from school for a semester or school year.

MAKEUP WORK

All students are expected to complete all assignments missed due to an absence from any class. Assignments and tests, which are completed by expected time limits, will receive full credit.

Absence/Truancy: Absences due to truancy have the same expectation for the completion of class work as any other absence. Students will receive 50% credit for the completion of missed assignments when the absence is due to truancy.

Assignments and tests a student misses due to illness, injury, or other circumstances beyond their control, will receive 100% credit.

The following guidelines are set with the intention of ensuring that students receive their missed work in a timely manner. Sign & Return this page.

1. After an absence, a student should contact the teacher as soon as possible to arrange for make-up work. These arrangements should be made at or before the next meeting of the missed class.
2. Teachers and students are encouraged to communicate and work together to ensure that all missed work is completed.
3. Students are encouraged to contact teachers as soon as possible to arrange for make-up work.
4. Students are to be allowed one day for make-up work.

Examples:

- A student is absent Tuesday (Maroon). He/she should make arrangements for make-up work on or before Thursday (Maroon) and have it completed by the following Monday (Maroon).
- A student is absent Tuesday (Maroon) and Thursday (Maroon). He/she should make arrangements for make-up work on or before the following Monday (Maroon) and

have it completed by Friday (Maroon).

- If a student is absent on a school day prior to a class meeting when a quiz or test will be given, then that student is to make up the missed test during or before the following class meeting.
Example:
 - A student is absent Monday (Maroon). A test is scheduled for period 6 on Tuesday (Gray). The student should not be required to take the test on Tuesday but should make arrangements on that day to make up the test prior to or during period 6 on Thursday (Gray).
- Teachers are encouraged to post assignments in their classrooms and/or provide a course syllabus with assignments to allow students to determine what assignments need to be made up.

ATTENDANCE COMMITTEE

The function of the Mt. Vernon High School Attendance Committee is to:

- Monitor and review the attendance policy
- Review the attendance of individual students requesting an appeal for credit

The attendance committee will include one administrator, the attendance officer, the school nurse, and teachers.

Students should not take matters into their own hands, but should allow faculty member, staff member, or an administrator to handle the situation.

In the event a fight breaks out, students are advised to move away from the area of the disturbance, and not get in the way of administrators or teachers who are trying to deal with the situation.
